

HADISA FATIMA SYED

FRONT END DEVELOPER

Matari, Pakistan • 03002067562 • hadisaasyed@gmail.com • [LinkedIn](#)

SUMMARY

Dynamic Front End Developer with 2 years of experience creating responsive, user-focused interfaces. Skilled in HTML5, CSS3, SASS, Bootstrap, and modern UI development. Passionate about building clean, intuitive web experiences and continuously improving design, performance, and usability while contributing to impactful, real-world projects.

WORK EXPERIENCE

Webperts | Digital Agency (React Intern)

Aug, 2025 - Oct 2025

- Developed CSSAwwwards, a full-stack platform for showcasing websites and user-driven recognition.
- Implemented responsive front-end interfaces and contributed to back-end functionality (submissions, authentication, voting).
- Collaborated with a team of 3, participated in full development lifecycle, and incorporated mentor feedback.
- Enhanced skills in front-end development, Git, problem-solving, and teamwork.

NovaGenius (Summer Intern)

Jun, 2024 – Oct 2024

- Built interactive sliders and dynamic UI elements using JavaScript, SASS, and Bootstrap.
 - Applied transitions and transformations for a seamless, responsive user experience.
 - Enhanced CSS and front-end development skills, improving code readability and maintainability.
-
